

Topic 2: Our Home
Learning Activity 1: Building Upwards

Dear Parents/Guardians,

Prior to this activity, children have been introduced to different buildings in Singapore such as The Pinnacle @ Duxton and the Tiong Bahru Flats.

To extend your child's learning at home, we encourage you and your child to draw or paste a picture and write a short sentence about a place in Singapore that they had visited or wishes to visit (e.g., playground, hawker centres or Singapore Zoo) in the space provided.

Kindly return the completed activity sheet by **Wednesday, 27th April** for your child to share with the class.

Regards,
Teacher
